

## 2024 MEN'S SINGLES WILD CARD GUIDELINES FOR THE LTA GRASS COURT EVENTS

For 2024, the Men's Team will have singles specific guidelines for wild cards into events during the grass season. Please note that these guidelines will apply for events week commencing 3rd June (Surbiton), 10th June (Nottingham), 17th June (Queens and Ilkley). It will not apply for Eastbourne ATP week commencing 26<sup>th</sup> June. The guidelines for this event is also referenced below.

The main criteria for consideration when deciding wild cards will be as follows (not necessarily in order of priority):

1. Top 100 British singles players on ATP ranking
2. Top 250 British singles players on ATP ranking (specifically those players on an upwards ranking trajectory towards top 100)
3. British singles players aged 23&U years on a ranking trajectory tracking towards ATP 250 as deemed by the LTA Men's Team
4. British players ranked NCAA Top 10 singles or NCAA individual singles championships winner/runner up. Consideration will also be given to NCAA based GB players with higher ATP rankings
5. British players ranked top 10 ITF junior singles in previous year end rankings and Junior Grand Slam singles winners from current and previous year
6. British players who have had significant injuries over last 12-18 months, have held previous ranking of top 250 and have demonstrated strong ranking progress/performances in previous 6 months

Please note that if any further wild cards become available following the allocation to the above category of players, the LTA Men's Team may allocate to players outside these categories otherwise they will be allocated according to ATP ranking for those British players that sign in for the events.

For the final week of grass court season (Eastbourne) the wild card will be determined by:

- Wimbledon wild card recipients
- Form throughout the grass court season
- Ranking
