- The relevant National Age Group Coach will put forward players, with prior agreement from the Head of National Performance Pathway, that they believe should be selected for the specific national or international activity to the 'Approval Panel' (consisting of a minimum of three of, the 11U -14U National Age Group Coaches, RPDC Network Lead, and Head of National Performance Pathway) who will normally meet at least six weeks prior to the activity.
- A member of the LTA Performance Operations Team may also be invited to attend and record selection decisions.

- All selection reasons will be recorded.

Selection criteria for national and international activity

The Approval Panel will consider the recommendation of the National Age Group Coach against the selection criteria (outlined below) to determine if a player should be selected for the U11 – U14 national or international activity being discussed. They will use multiple sources of evidence available to them, including but not limited to results profiles, ranking trajectory, progress against their individual development plan (IDP), and Performance Pathway scouting data, as well as their expert judgement:
