WHAT IS THE LTA YOUTH LEAGUE?

Formally part of LTA National League, LTA Youth League is primarily a singles based team competition for all LTA registered venues (clubs and parks). It aims to provide recreational players of all ages and abilities with regular league matches against players of a similar standard in a competitive and fun team environment— an excellent way for venues to attract and retain players.

There is an element of flexibility within each county. Please refer to the LTA Youth League webpage for further information on which events are taking place in your area and when your league is taking place, as this will depend which age groups players can compete in.
