

LTA WHEELCHAIR NATIONAL AGE GROUP PROGRAMME SELECTION POLICY 2024

1. INTRODUCTION

This policy explains how players will be selected to the Wheelchair Performance Programme National Age Group Programme (WCPP NAGP). It is designed to support junior players considered to be demonstrating early signs of potential to succeed at Grand Slam and Paralympic level in the long-term future.

Delivered as a series of national camps, visits, and trips, along with a structured Individual Development Plan (IDP), it focuses on providing transformational training and competition opportunities to Britain's highest potential juniors. The programme is geared towards the player's long-term development, with the aim of supporting them on the journey towards selection for the WCPP Pro Scholarship Programme (PSP).

Players selected for the WCPP NAGP will be required to enter into a formal player contract with the LTA which will detail their grant and their responsibilities, commitments, and accountabilities (such as agreeing an individual Development Plan (IDP), structuring daily training, and planning annual schedules) to the LTA's WCPP NAGP.

2. BENEFITS

The LTA will work in collaboration with the player and their team to establish and support the delivery of a world class IDP which is appropriate to their age and stage. Those players selected for the WCPP NAGP will be eligible to:

- Receive a minimum funding grant, in line with their IDP, to support their coaching programme and agreed tournament schedule
- Receive player visits to their training venue/club from their designated LTA National Age Group Coach, based on the support required and outlined in their IDP
- Receive Sports Science / Sports Medicine education and support (camp delivered); and
- Invitations to attend National Camps

3. THE SELECTION PROCESS

There are a maximum number of WCPP NAGP places in 2024, there will be places on the programme for up to 12 players. The Selection Panel will consider players based on this number of places but are not obliged to fill every available place.

Where possible, places will be split equally across potential Men, Women and Quad division players. This is subject to the number of players who meet the criteria. In the event there are fewer eligible players meeting the selection criteria of a particular division than places available, the remaining WCPP NAGP places may be taken up by other divisions.

Accepting a WCPP NAGP place is encouraged but optional. If a player chooses to decline the WCPP NAGP selection for any reason (including failure to sign the player contract) they will not be restricted in selection for representative competitions, but there will be no form of financial support or, unless approved otherwise by the LTA, access to coaching or sport science/sports medicine.

4. JUNIOR REPRESENTATION FOR GREAT BRITAIN

Decisions made by the Selection Panel are made in isolation from any decision in respect of selection for National or International events, including World Team Cup. Players do not need to be on the WCPP NAGP to be considered for selection for these events. Furthermore, selection for these events does not automatically mean that a player will be offered a place on the WCPP NAGP. Further information on the selection for these events will be published on the LTA website.

5. PLAYER ELIGIBILITY

All players must first meet the Eligibility Criteria set out below before they are assessed against the Selection Criteria. Players are only eligible to be considered for selection to the NAGP provided all of the following is true:

- a) He/she is eligible to compete for Great Britain at the Paralympic Games (i.e., is a British Passport holder and meets ITF Rules relating to Paralympic Games participation); and
- b) He/she is not currently serving a suspension for a doping violation and/or a breach of the anti-corruption rules*
- c) He/she is 17 years of age or under on 31 December 2023

*Where a player is serving such a suspension, but the suspension is due to end during the period for which selections are being made, the Selection Panel may, at its discretion, choose to consider the player for selection. Should the player be selected, they would only be part of the NAGP once their suspension has ended.

All players who meet the Eligibility Criteria set out above can then be considered for shortlisting in line with section 6.

Selection of players for the WCPP NAGP is for a period of 12 months.

The process the LTA will follow in order to select players on the WCPP NAGP is detailed below.

At the start of the Selection Meeting the Selection Panel members will declare any potential conflicts of interest. The Chair will decide if there is a conflict of interest. If there is, that Selection Panel member must leave the meeting during the consideration of that player.

9. SELECTION OUTCOME

Following successful WCPP NAGP selection, individual players will only be formally accepted onto the respective level of the WCPP NAGP once they have signed and returned the respective Player Agreement (the "Player Agreement") and completed a satisfactory medical review by the WCPP doctor within the agreed timeframes. Every player selected to the WCPP NAGP will undergo this medical review to ensure their potential place on the programme does not pose significant risk to their health and wellbeing and that they will be able to take part in the WCPP NAGP.

The Player Agreement will include amongst other matters obligations regarding coaching, physical training and competitions, commitments to anti-doping and anti-corruption and adherence to a code of conduct and disciplinary procedure.

Accepting a WCPP NAGP place is encouraged but optional. If an athlete chooses to decline the selection for any reason (including failure to sign the Player Agreement) they will not be restricted in selection for representative competitions, but there will be no form of financial support or, unless approved otherwise by the LTA, access to coaching or sports science/sports medicine.

10. SELECTION TERM

Players will be selected for a 12-month term running from 1 January 2024 to 31 December 2024.

11. RESELECTION AND NON-RENEWAL OF EXISTING WCPP PLAYERS

At the end of each player's agreement period, each player will be formally reviewed by the Selection Panel in the selection meeting. A player will then either have their agreement renewed or not. In making this decision the Selection Panel will be asked to consider:

1. A player's ranking trajectory against the selection criteria outlined in section 7; and
2. A player's progress against their IDP

As per the player's contract, funding levels may be reviewed as part of this process. All decisions will be recorded, and players notified as outlined below (section 12)

12. NOTIFICATION OF SELECTION DECISIONS

The chair of the Selection Panel will make reasonable efforts to ensure that all shortlisted players are notified within 7 days of the conclusion of the selection meeting through the LTA WCPP Team.

The decisions that will be formally notified to athletes are:

All players on the WCPP NAGP will have an IDP in place, containing a set of individualised development objectives. These objectives will be established by the WCPP National Age Group Coach, in discussion with players and their coaching team, and are intended to show whether the player is achieving the standards and progress necessary to show that they are on track to gain selection for the next stage of the Player Pathway. All objectives will be set at the discretion of the LTA.

14. APPEALS

Shortlisted players who have not been selected by the Selection Panel are entitled to appeal against the Selection Panel's decision. Such an appeal is to be made in writing (with full reasons and supporting evidence) within 7 days of the applicant receiving his/her selection decision to the nominated member of the LTA Executive Team or their nominee (the Appeal Chair) but only on one or both of the following grounds:

- a) There has been a failure by the Selection Panel to follow this selection policy (i.e., there has been a procedural defect); and / or
- b) The decision has been reached on the basis of an error of fact.

The Appeal Chair can decide, based on the written appeal and any supporting written evidence provided, to either:

2. To uphold the Selection Panel's decision.

The applicant will be informed of the appeal decision in writing.

Should a decision be set aside and be re-considered by the Selection Panel which has an effect on a selection decision taken in relation to another player, that decision in relation to the other player may also be re-considered and changed if necessary.

For the avoidance of doubt, players who are not shortlisted for any reason, including exceptional circumstances (as outlined in 2.2) are not eligible to appeal.
